Dear Parent,

Welcome to the parenting coordination process. Enclosed in this packet is information regarding parenting coordination and a number of forms for you to complete prior to your first appointment. The information you provide will assist Dr. Marowitz in better understanding your family, your current situation, and your concerns.

Your first appointment with Dr. Marowitz will be an individual meeting. During that appointment any questions or concerns you may have will be addressed and she will review the enclosed forms with you.

Please bring, to the first appointment, any copies of your Marital Settlement Agreement (if you have one), any mediated agreements, or any court orders you are currently living by. Also, please bring a 5x7 photo of your child(ren).

Thank you.

My very best,
